### 60TH AVIATION CO

1971 NINH HOA, RVN

Commanding Officer Major DAVID E. HILL

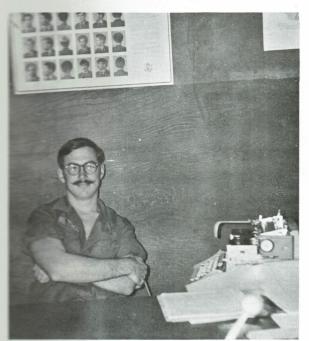

The Ghost Riders have compiled a truely outstanding record of valor and achievement in Vietnam, first as a member of the First Team and later as a non-divisional Aviation Company of the 1st Aviation Brigade. The unit has been redesignated, relocated, and restructured within this past year and yet because of you men whose pictures appear in this book, the Ghost Rider's dedication to excellence continues to improve.

You have my sincere thanks for the many hours of hard work that made this possible and my complete confidence in your ability to excell in the difficult months ahead.
